Dear Alex:

On behalf of the Program in Integrative Medicine, we would like to thank you for hosting students from PIM's elective rotation to your school and clinic, and for the excellent overview presentation you gave on April 5<sup>th</sup>; it was very informative and greatly appreciated by the students. We greatly appreciate your providing this educational opportunity and the invaluable time that you've spent with multiple groups of medical students and residents, sharing your wisdom and expertise on this important medical topic. Listed below are some of the comments from students' evaluations from last month's rotation:

- The TCM overview was incredible.
- I'd like if we had some time for pulse practice with practitioner
- The TCM session was excellent - simple take away basics
- TCM Overview was a great intro to TCM and wasn't too overwhelming. It was good to have insight into clinical practice as well.
- Great lecture on TCM...It was refreshing to have a lecturer who could portray his enthusiasm and knowledge.
- I loved Alex Holland's TCM overview!...[It was a wonderful way] to start the day!
- Alex's TCM overview was excellent
- TCM Acupuncture Overview – outstanding introduction to TCM philosophy and practice.

The students' visits to the Asian Institute have been very much enjoyed and have greatly enriched the month-long elective. Thank you so much for generously sharing your time and knowledge with the PIM rotation students and physicians. We look forward to our continued collaboration.

With gratitude and blessings,
